An ethnic conflict is a conflict between two or more contending ethnic groups. While the source of the conflict may be political, social, economic or religious, the individuals in conflict must expressly fight for their ethnic group's position within society. This final criterion differentiates ethnic conflict from other forms of struggle. Ethnic conflict does not necessarily have to be violent.

Ethnic minorities in China are the non-Han Chinese population in the People's Republic of China (PRC). China officially recognises 55 ethnic minority groups within China in addition to the Han majority. As of 2010, the combined population of officially recognised minority groups comprised 8.49% of the population of mainland China. In addition to these officially recognised ethnic minority ...
