

APPLIED MERGERS AND ACQUISITIONS WILEY FINANCE

applied mergers and acquisitions pdf

Mergers and acquisitions (M&A) are transactions in which the ownership of companies, other business organizations, or their operating units are transferred or consolidated with other entities. As an aspect of strategic management, M&A can allow enterprises to grow or downsize, and change the nature of their business or competitive position. From a legal point of view, a merger is a legal ...

New Accenture Strategy research shows large companies in the U.S. are now pursuing more mergers and acquisitions to gain digital capabilities. With digital fueling new business growth, they are supplementing their organic digital growth with inorganic deals. As U.S. companies consider the acquisition of other organizations for their digital prowess, a second layer to the digital deal conundrum ...
