

ARE YOU A SUPERTASTER RIGB

### **are you a supertaster pdf**

A supertaster is a person who experiences the sense of taste with far greater intensity than average, with some studies showing an increased sensitivity to bitter tastes. It may be a cause of selective eating, but selective eaters are not necessarily supertasters, and vice versa.

### **Supertaster - Wikipedia**

Abstract Are you really picky about food? Or do you know someone who is? It might be because he or she is a supertaster! To supertasters, the flavors of foods are much stronger than to average tasters.
