Ancient Egyptian art is the painting, sculpture, architecture and other arts produced by the civilization of ancient Egypt in the lower Nile Valley from about 3000 BC to 30 AD. Ancient Egyptian art reached a high level in painting and sculpture, and was both highly stylized and symbolic. It was famously conservative, and Egyptian styles changed remarkably little over more than three thousand years.

Mexican art consists of various visual arts that developed over the geographical area now known as Mexico. The development of these arts roughly follows the history of Mexico, divided into the prehispanic Mesoamerican era, the colonial period, with the period after Mexican War of Independence further subdivide. Mexican art is usually filled most of the time with intricate patterns.
