Atwood is now Dometic. The company grew with strategic purchases of the Bowen Company in 1964, an RV water heater manufacturer; Wedgewood in the mid 1980s, with a complete line of gas ranges and cook tops; and Hydroflame furnaces in 1993—making gas appliances the company's core product line. In 2010, they enhanced their RV product range by acquiring...

I found that most retailers of the kits to add an electric element to the RV water heater provided a 400 watt kit for 6 gallon tanks and a 475 watt kit for 10 gallon tanks. But then ... or 10 gallon Suburban or Atwood RV water heater tanks. So I ordered my kit from RVupgrades.com for \$115.50, no tax, free shipping. That's higher than
