becoming american the early pdf

Early American currency went through several stages of development during the colonial and post-Revolutionary history of the United States. Because few coins were minted in the thirteen colonies that became the United States, foreign coins like the Spanish dollar were widely circulated. Colonial governments sometimes issued paper money to facilitate economic activities.

With improved obstetrical management and evidence-based use of intrapartum antimicrobial therapy, early-onset neonatal sepsis is becoming less frequent. However, early-onset sepsis remains one of the most common causes of neonatal morbidity and mortality in the preterm population. The identification of neonates at risk for early-onset sepsis is frequently based on a constellation of perinatal ...
