The BMW F650CS was a standard motorcycle made by BMW Motorrad from 2001 to 2005. CS stood for city/street, as it was aimed at urban commuters and it was also known as the Scarver, a portmanteau of street and carver. The CS was the third generation in the F650 single series, after the 1993–2001 F650, and 2000–7 F650GS.
