I was wondering the same thing! My Samsung 43" Curve model code is UN43KU7500FXZA. I tried using the plug that came with the TV, it has the RCA color coded female plugs that go down to one male yellow plug,

how do I hook the wii up to our Samsung smart tv when Wii

The following list encompasses notable smart TV platforms and application software that are used as software framework and middleware platforms used by more than just one manufacturer.

List of smart TV platforms and middleware software - Wikipedia

The RCA Studio II is a home video game console made by RCA that debuted in January 1977. The graphics of Studio II games were black and white and resembled those of earlier Pong consoles and their clones. The Studio II also did not have joysticks or similar game controllers but instead used two ten-button keypads that were built into the console itself. The console was capable of making simple ...
