Rebar (short for reinforcing bar), known when massed as reinforcing steel or reinforcement steel, is a steel bar or mesh of steel wires used as a tension device in reinforced concrete and reinforced masonry structures to strengthen and aid the concrete under tension. Concrete is strong under compression, but has weak tensile strength. Rebar significantly increases the tensile strength of the ...

One other Domesday Book manor within the parish of Sway is known as Arnewood, which before 1066 had been held by Siward from Earl Tostig. The estate seems to have belong to Christchurch Manor in the 13th and 14th centuries, although one small part of it was held differently and later became joined to the nearby manor of Ashley to become "Ashley Arnewood".

[The] American business community was also very impressed with the propaganda effort. They had a problem at that time.

The country was becoming formally more democratic.

### **Propaganda by Edward Bernays (1928)**

As most of my readers probably know, I was an atheist for about a decade -- roughly the 1990s, give or take. Occasionally I am asked how I came to reject atheism.

James Bell (born 1524 in Warrington, died 20 April 1584 in Lancaster, age 60) was an English Catholic priest who was educated at Oxford University, where he was ordained priest in Queen Mary's reign. For some time he refused to conform to the changes in religion made by Queen Elizabeth, but afterwards, adopting the tenets of the Reformation, he exercised the functions of a minister of the ...
