There are many selfish reasons to have more kids, but there are four big reasons to put on the table right away: First, parents can sharply improve their lives without hurting their kids. Nature, not nurture, explains most family resemblance, so parents can safely cut themselves a lot of additional slack.

I say there's a reason why so many A-list celebs who are used to living in luxury live green lifestyles. The good deed piece of it makes for great PR, but make no mistake: the green life can also be the good life. All: What green living practices or home improvements have you undertaken? Did you any of them turn out to have selfish upsides?
