Why Practice? Does Practice Make Perfect? Practicing your speech is essential, but I'd be foolish to suggest that practice alone will result in a "that was the best speech I've ever heard" response from your audience. For this, you need to master essential public speaking skills and build up experience doing so. So, while practice you won't necessarily make you perfect, you will reap ...

Mindsets and Math/Science Achievement

Because noncognitive qualities like grit, curiosity, self-control, optimism, and conscientiousness are often described, with some accuracy, as skills, educators eager to develop these qualities in their students quite naturally tend to treat them like the skills that we already know how to teach: reading, calculating, analyzing, and so on. And as the value of noncognitive skills has become ...
