After a fire, burglary or another event in which you lost possessions from your home, it may be difficult to remember the details of every one of the belongings that you have accumulated over the years. In this situation, having a current inventory of your possessions, including make and model numbers, may help you with any potential insurance claims.

5 Steps to Create a Home Inventory Checklist [Video]

Delivering the future of energy in Clinton. At ExxonMobil's research facility in Clinton, New Jersey, scientists and engineers develop breakthrough technologies, collaborating with universities, national labs and companies across the globe to solve the dual energy challenge — to provide energy to a growing global population while reducing greenhouse gas emissions.
