tdi engine pdf

Introduction 1 1.9-Liter TDI Engine with Pump Injection System The demands on the modern diesel engine for increased performance and fuel economy, and reduced exhaust emissions

1.9-Liter TDI Engine with Pump Injection

Turbocharged direct injection or TDI is a design of turbodiesel engines featuring turbocharging and cylinder-direct fuel injection that was developed and produced by the Volkswagen Group (VW AG). These TDI engines are widely used in all mainstream Volkswagen Group marques of passenger cars and light commercial vehicles made by the company (particularly those sold in Europe).
