A teacher's role may vary among cultures. Teachers may provide instruction in literacy and numeracy, craftsmanship or vocational training, the arts, religion, civics, community roles, or life skills.. Formal teaching tasks include preparing lessons according to agreed curricula, giving lessons, and assessing pupil progress.

The Workers Party leads the work of popularizing and elaborating the short-term and long-term program of the working class, taking this program to all sections of the class, as well as to the middle stratum in order to rally it under the leadership of the working class. Elaborating and popularizing the program of the working class involves intensive and extensive theoretical and ideological work.
