Transcripts are available for every episode of the Brain Science Podcast. They can be read online or downloaded as PDF files. They are free until December 30, 2013. After that they are available for purchase.

Episode Transcripts — Brain Science Podcast

Online Workshop “Brain and Cognition in Health and Disease” This 8-day online lecture sequence covers a wide range of topics on the relationship between the brain and the mind in health and disease.

Luria Neuroscience Institute - Courses and Scientific

This page is a collection of links for parents and teachers. Topics are based on the curriculum for Kindergarten through grade five, although many pages will be of interest to older students. This page also includes a list of publishers and software companies.

Parent and Teacher Links

o LBD is more than a cognitive disorder. As already mentioned, its effect on muscles makes communication difficult. It can also weaken other muscles, and it can affect physical health right from the beginning. Therefore, complications like pneumonia, urinary tract infections or falls can be life threatening. Good patient care and early detection of problems becomes very important.

Nearing the End of the LBD Journey - The Lewy Body

AARP is the nation's largest nonprofit, nonpartisan organization dedicated to empowering Americans 50 and older to choose how they live as they age.
