A Concise History of Liberation Theology

Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries. Theology is the study of deities or their scriptures in order to discover what they have revealed about themselves. It occupies itself with the unique content of analyzing the supernatural, but also especially with epistemology, and asks and seeks to ...

Dispensational theology refers to the unified teachings of dispensationalism that address what other views teach as divergent theologies in the Old Testament and New Testament. Its name reflects a view that biblical history is best understood as a series of dispensations, or separated time-periods, in the Bible. Each dispensation is said to represent a different way in which God deals with man.
